To whom it may concern

Only Original Ltd. attests to the fact that this letter is a confirmation of the successful cooperation with the Codein Software team.

Only Original is an ambitious project of service development with the objective of counterfeit reduction on the market and ultimate customer protection. According to the concept of the service, it combines manufacturer and ultimate customer in one chain, with a full supply chain tracking, starting from the conveyor to the supermarket shelf, where customer can scan special product with the help of mobile application and check its originality.

During our collaboration with Codein Software team have been built operating system prototype, on the basis of which was started MVP system implementation as the first stage of release.

We can testify the high professionalism of the development team and high-quality management, it goes to prove that with already implemented stages while meeting the projected schedule and budgets.

We can recommend the Codein Software team as a trusted partner for development of technology part of your business. If you have additional questions after reading this letter, we are ready to give you additional information by the phone.

Best regards,  
Oleksandr Polishchuk

Director
